

Unique Opportunity for Macra na Feirme Members

New Zealand Dairy Careers are passionate about training young farmers and have teamed up with some of the best dairy farmers to provide a unique opportunity for Macra na Feirme Members wishing to experience dairy farming in New Zealand.

LIVE

Live the dream and be exposed to a different culture, people, and way of life in one of the most picturesque countries in the southern hemisphere, working close to the most popular tourist destinations in New Zealand.

LEARN

Gain experience and learn from the world's best pastoral dairy farmers to grow your farming skills & careers

EARN

While you are living, learning and on your adventure on the other side of the world - you will still be earning industry rates in the process.

Members Exclusive Offer

Exclusive offer for members €1,050 includes:

- Met on arrival and airport transfers
- Orientation programme
- Assistance with setting up bank account, tax number etc.
- Farm Placement (includes accommodation)
- Pastoral Care and full support throughout the programme
- Start-up pack
- Training & development programme
- Mentoring and development reviews

Push yourself to be more than ordinary - gain the skills to have financial security, achieve independence and career satisfaction, take the opportunities available and become a recognised industry leader!

Grow your future with us
