Patron Membership Scheme Become a Macra na Feirme Patron

www.macra.ie

What is Patron Membership?

As a voluntary organisation, Macra na Feirme greatly values the support of our past members. Our patron membership helps us to provide the supports and services that have become synonymous with Macra as we look forward to celebrating our 75th anniversary in 2019.

In the last year alone, the contribution of our patron members has helped us stage national competitions in Agriculture, Public Speaking and the Performing Arts to name just a few as well as providing the youth of Ireland with a valuable social outlet.

Macra na Feirme is seeking your support as a past member to help us to continue to provide the benefits and supports to today's rural youth that you received during your time as a Macra na Feirme member.

What is Patron Membership?

Any individual willing to be a supporter of the organisation may become a Patron member of Macra. This is achieved by payment through direct debit of an annual subscription to the national organisation.

How much does it cost?

The cost is the current membership fee (€40) per annum payable by direct debit only.

Where does the money go?

Funds received from Patron members will be used by the organisation to support delivery of services to members across the country. These services include the training, leadership and personal development of our young people. Your money will also go towards supporting local communities throughout Ireland.

What you receive for your membership?

You will receive a Macra na Feirme membership card, pocket diary and several fantastic discounts that are outlined on the following page.
